Dick Dystrup (1943 – 2009)

Dick spoke to his personal desire to serve the community and to “make this place better than I found it.” In an interview in 2008, Dick said that he hoped in 25 to 50 years “when I’m long gone” that his work with the Foundation is a legacy.

Although Dick passed away one year after that interview, his work at the Foundation will be a legacy. The Dick Dystrup Memorial Fund will be a permanent fund of the Will County Community Foundation and the interest from that fund will be used to make grants in the fields of education and community building, two causes that were near and dear to his heart.

As with all of the Funds held by Will County Community Foundation, contributions are welcome. For further information, contact Sandy Cowgill, Interim Executive Director.
